TOTAL ROPE WORX NZ LTD

LEADERS IN HIGH PERFORMANCE SYNTHETIC ROPE APPLICATION

- SUPPLIERS OF MARLOW ROPE UK TO NZ INDUSTRIES
- 30 YEARS EXPERIENCE WORKING WITH SYNTHETIC ROPE APPLICATIONS
- OUR SYNTHETIC ROPE APPLICATIONS HAVE BEEN SUCCESSFULLY TRIALED IN THE NZ FOREST INDUSTRY WITH 100% PROVEN PERFORMANCE
- BOOST PRODUCTIVITY PERFORMANCE, SAFETY AND WORK EFFICIENCY DUE TO LIGHT WIEGHT SYNTHTIC ROPE TECHNOLOGY
- PROVEN HEALTH AND SFETY BENEFITS, LESS FATIGUE
- CERTIFIED SPLICING AND TRAINING AS WELL AS TECHNICAL ADVICE IS INCLUDED IN OUR BACK UP SERVICE
- ALL OUR PRODUCTS ARE TAGGED WITH MBL, DATE SPLICED AND ISO NUMBER

Marlow

ABOUT OUR MARLOW ROPES UK DYNEEMA

- **BRITISH MADE QUALITY, TRUSTED ENGINEERING WITHOUT LIMITS**
- **LEADERS IN HIGH PERFORMANCE SYNTHETIC ROPE MANUFACTURING**
- **GLOBALLY RECOGNISED INNOVATION**
- **PIONEERS IN ROPE TECHNOLOGY USING ONLY THE BEST TECHNICAL FIBRES**

THE NZ LOGGING INDUSTRY MAKES EXTENSIVE USE OF STEEL WIRE ROPE IN HARVESTING OPERATIONS. AS AN ALTERNATIVE HIGH PERFORMANCE DYNEEMA SYNTHETIC ROPES SUCH AS THOSE MARLOW ROPES UK MANUFACTURE PROVIDE AN EXCELLENT REPLACEMENT FOR WIRE ROPE IN VARIOUS LOGGING APPLICATIONS. GIVEN THE MAJOR ADVANCES IN FIBRE TECHNOLOGY, DYNEEMA SYNTHETIC ROPES ARE EIGHT TIMES LIGHTER THAN STEEL WIRE FOR A GIVEN STRENGTH AND SEVENTY PERCENT STRONGER THAN WIRE FOR A GIVEN WIEGHT. HIGH STRENGTH, LIGHT WIEGHT DYNEEMA SYNTHETIC ROPES HAVE THE POTENTIAL TO DRAMATICALLY IMPROVE EASE OF HANDLING, REDUCE SET UP TIMES AND INCREASE EFFICIENCY WITHOUT COMPROMISING STRENGTH.
